

IEA SHC Task 53 4th meeting

New Generation Solar Cooling & Heating systems (PV or solar thermally driven)

Selected pictures

Daniel MUGNIER – Bolzano, 22/09/2015

Thanks a lot to EURAC
and a special THANK YOU
TO Roberto Fedrizzi !

Very good
Italian organisation !

Very interesting
technical tour inside
EURAC !

Very intensive plenary ...

Excellent beef...!

Nice dinner...!

Very interesting workshop,
isn't it ?...

A picture of the Excellent Task 53 Solar Cooling core team !!
